Технические характеристики

Вместимость:	12 Rührwerkzeuge □ 40 mm
Полезная нагрузка:	120 kg
Масса:	16 кг
Ширина:	895 мм
Глубина:	595 мм
Высота:	949 мм

Ladle trolley in open design with deep-drawn shelf and storage spaces for stirrers.

Trolley in robust, self-supporting and hygienic design, made of high-quality stainless steel. Round tube frame with welded, deep-drawn shelf providing space for placing objects, with profile edge, lined with sound insulation on the underside, hygienically folded and rebated inwards, designed for easy cleaning. Two perforated plates arranged on top of each other in the upper section of the frame, folded on all sides, with round cut-outs for placing stirrers. Galleries of ø 0.4'' (10 mm) stainless steel wire at both long sides of upper perforated plate, plus 2 welded webs each at both face sides made of 0.8 × 0.4'' (20 × 10 mm) profile tube as possibility for attaching kitchen utensils such as ladles, meat forks etc. Push bars integrated into tube frame on both sides ensure good manoeuvrability. 4 polyethylene disc bumpers serve as bumpers and protect trolley on all sides as well as building-side walls from being damaged. Trolley runs on 4 swivel casters of which 2 with total locks, ø 4.9'' (125 mm), with pin fastening.

The Hupfer ladle trolley LW 8x5 provides storage options for a large range of kitchen utensils, and its very low empty weight ensures it has outstanding handling properties.
