Технические характеристики

Масса:	0.6 кг
Ширина:	290 мм
Глубина:	400 мм
Высота:	25 мм

The lid made of white polystyrene is used to close a medical collector with a foot pedal.

The high-quality lid for collectors with a foot pedal is designed for the hygienic and secure sealing of a collector with a foot pedal. The Hupfer lid is the perfect addition to complete your collector with a foot pedal. Thanks to the practical foot pedal, you can effortlessly open the lid without using your hands. The lid closes automatically, ensuring a clean and odour-free environment. The construction made of white polystyrene is high-quality and durable. The hinge, which is firmly connected to the lid, allows for easy attachment to the collector and ensures comfortable opening and closing of the lid.

- High-quality construction ensures robustness and durability
- The lid hinge allows for easy attachment and simple opening and closing
