Soap dispenser 950 ml, made from high-quality stainless steel in a hygienic design for wall mounting.

The Hupfer soap dispenser is the ideal solution for hygienic hand cleaning in the hospitality and medical sectors. The 950 ml soap dispenser made of high-quality stainless steel impresses with its modern, matte finish design and sturdy construction. The hygienic design promotes optimal cleanliness and makes cleaning easier. The space-saving wall mounting ensures easy accessibility, while the lockable casing prevents unauthorised access and guarantees safety. An optical level indicator allows for constant monitoring of the soap level. The manual dosing lever enables individual adjustment of the soap quantity to meet users' needs. The Hupfer soap dispenser combines functionality, safety, and appealing design – for a consistently clean and hygienic environment.

- High-quality stainless steel ensures durability and an appealing design.
- Hygienic construction promotes optimal cleanliness and easy cleaning.
- Wall mounting allows for space-saving installation and easy accessibility.
- Lockable housing protects against unauthorized access and ensures safety.
- Visual level control provides an overview of the soap level at all times.
- Manual dosing lever allows for individual adjustment of the soap amount.
- Stable construction guarantees high stability and reliability.
