The versatile VARIOCART for the transport and provision of drinks, food, dishes, laundry, and much more. With 2 to 5 ergonomically accessible shelves, each VarioCart offers ample storage space in Euro container format for every need and is accessible from all sides.

The VARIOCART made of stainless steel is the ideal transport cart for drinks, food, and dishes. As a versatile helper in the gastronomy sector, in hotels, and care facilities, it offers high robustness and durability due to its stable stainless steel construction. The stainless steel push handles and height-adjustable shelves ensure ergonomic use. The shelves provide a practical storage area in Euro container format. Smoothly folded shelf edges allow for easy cleaning and perfect hygiene. The lightweight, collapsible serving trolley is equipped with four swivel wheels, enabling effortless movement and precise manoeuvring. The serving trolley is delivered disassembled in a space-saving flat-pack shipment, and the necessary tools for quick and easy assembly are included.

- The collapsible design allows for disassembled delivery in space-saving flat-pack shipping. - The frame construction ensures torsional rigidity and also serves as a push handle. - The decoupled construction guarantees a quiet transport. Sound insulation ensures whisper-quiet transport. - Smoothly folded edge flaps without cavities ensure easy cleaning and perfect hygiene. - Extensive equipment options offer individual usage and customization possibilities. - High-quality workmanship in premium stainless steel allows for easy cleaning and perfect hygiene. - Valuable materials ensure sustainability and value retention.
