The closed stainless steel shelf of the Norm 5 rack provides a safe and hygienic surface for high loads. It is suitable for continuous use at ambient temperatures between -40°C and +60°C.

The effortlessly attachable, closed shelf made of high-quality stainless steel offers a secure and easy-to-clean surface. This shelf from the Norm 5 range can support high loads. Temperatures from -40°C to +60°C pose no problem even in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees to buy back your entire shelf at the end of its service life.

- Closed design in stainless steel ensures safe, hygienic storage and easy access at all times. - Quality craftsmanship using high-quality stainless steel enables perfect hygiene and easy cleaning. - Valuable materials ensure sustainability and preservation of value. - Sturdy construction guarantees high load capacity. - Modular system ensures easy handling from assembly to cleaning with minimal effort.
