The cover for basket stackers serves the hygienic storage and protection of food and utensils from contamination. The cover for basket stackers allows for a clear view of the contents and promotes efficient handling in daily work.

The Hupfer Lid for Basket Dispensers is an essential accessory for hygienic food storage and utensil protection. Crafted from durable polycarbonate, this lightweight lid offers long-lasting performance while resisting impact. The transparent design allows for easy visibility of contents, ensuring quick identification and efficient handling during daily operations. Designed specifically for Basket Dispenser KO/UH 65-54, this lid perfectly fits stackers with baskets measuring 650 × 530 mm, promoting seamless integration into existing setups. The secure closure prevents contamination, safeguarding contents from external elements. Additionally, the easy-to-clean surface maintains hygiene and a professional appearance. Enhance your operational efficiency and ensure food safety with the Hupfer Lid for Basket Dispensers, the ideal solution for commercial catering environments.

- Durable polycarbonate construction ensures long-lasting performance and resistance to impact
- Transparent design allows for easy visibility of contents and quick identification
- Perfect fit for stackers with baskets measuring 650 × 530 mm, ensuring seamless integration
