Hupfer offers a swivel caster that facilitates the transportation and movement of loads. It enables efficient storage and organisation of materials through its flexible mounting options.

Discover the Ø 125 mm swivel castor from Hupfer – the perfect solution for your logistics needs in the gastronomy and medical sectors. This corrosion-protected swivel castor features a robust mounting plate and a lightweight plastic housing that can be transported effortlessly. The high-quality plastic wheel ensures smooth and quiet movement, while the plain bearing provides high stability and durability. The swivel castor simplifies the organisation and transport of goods, allowing you to focus on what matters most: your customers' satisfaction. Rely on quality and efficiency with the Ø 125 mm swivel castor – for a smooth operation in your facility.

- **Corrosion-resistant swivel castor Ø 125 mm** - Long-lasting use in demanding environments.
- **Mounting plate** - Easy and flexible installation for various applications.
- **Plastic housing** - Lightweight and highly resistant to damage.
- **Plastic wheel** - Noise-reduced movement and gentle use on various surfaces.
- **Sliding bearing** - Optimised mobility and reduced friction for efficient transport.
