Hupfer offers a swivel castor that facilitates the transportation of loads. It aids in the organisation of goods through easy handling and flexible mobility.

Discover the Hupfer swivel castor Ø125 mm – the perfect solution for efficient logistics in commercial catering. This high-quality swivel castor impresses with its robust construction and durable materials. With a diameter of 125 mm, the castor allows for effortless manoeuvring of heavy transport trolleys, enhancing the efficiency of your operations. The castor offers exceptional agility, making it easier to navigate in tight kitchen spaces. This saves you time and minimises the effort involved in transporting food and equipment. Rely on the Hupfer swivel castor Ø125 mm to optimise your logistics processes and ensure smooth service. Ideal for professional kitchens that value quality and functionality!

- **Diameter of 125 mm** - Optimal mobility for light to medium loads.
- **Robust construction** - Durability and reliability in demanding environments.
- **360-degree rotation** - Flexible manoeuvrability and easy handling.
- **Rubber wheels** - Quiet and gentle on surfaces, ideal for use in sensitive areas.
- **Easy to assemble** - Quick installation and adjustment for various applications.
