### Technical data

<b>Weight:</b>	2 kg
<b>Width:</b>	530 mm
<b>Depth:</b>	370 mm
<b>Height:</b>	108 mm

*Similar to illustration, technical modifications reserved. Without decoration.*

Stacking insert basket for storage and transport of small or difficult-to-stack crockery items, e.g. in tray transport trolleys with Euronorm insert.

Stackable 19.3 × 13.0 × 4.3" (490 × 330 × 108 mm) basket, welded to a 20.9 × 14.6" (530 × 370 mm) insert frame, in hygienic design, made of high-quality, silver grey, plastic-coated stainless steel round material. Ø 0.20" (5.0 mm) basket frame and basket base with 1.0 × 1.0" (26 × 26 mm) mesh size and Ø 0.1" (2.5 mm) basket walls.

The Hupfer plastic-coated stackable insert basket 530 × 370 × 108 mm is made of non-rusting stainless steel, and features a particularly soft special polyamide coating, allowing comparatively low-noise crockery transport, and its rack in Euro norm dimensions makes it suitable as a transport and storage unit for a wide range of purposes in the kitchen area.
