*Similar to illustration, technical modifications reserved. Without decoration.*

Holder for storage and provision of up to four urinals.

Robust, self-supporting and hygienic design, completely made of high-quality, electro-polished and burr-free stainless steel wire. Holder for attaching to wall hook racks or hook trolleys, consisting of a frame rack made of stainless steel wire, with welded wire loops for inserting a maximum of four urine bottles. Five insertable partition grids made of stainless steel wire, for need-oriented subdivision of holder.
