Technical data

Weight: 3 kg

Width: 556 mm

Depth: 41 mm

Height: 1447 mm

The hook rail creates more space on the work surface and serves for the organised and ergonomic storage of work materials.

The hook rail is a flexible and space-saving solution for storing items. Its robust construction from high-quality, recyclable stainless steel ensures durability and stability. Additionally, the hook rail allows for ergonomic and effortless access to the hung work materials.

- ergonomic access to work materials
- Creates space on the work surface
- High stability due to welded hooks
- Use of high-quality, recyclable stainless steel for a long service life and hygienic cleaning
