

Sterile goods basket 1/2 StU with inclined access opening

Technical data

Weight:	2 kg
Width:	600 mm
Depth:	300 mm
Height:	150 mm

Similar to illustration, technical modifications reserved. Without decoration.

Sterile supplies basket for transport, storage and provision of sterile supplies in soft packages, without container insert.

Basket in sterilisable version suitable for washing devices, made of high-quality, electro-polished stainless steel round material and comprising closed wire loops in base and walls. Sterile supplies basket for attaching to wall hook racks or hook trolleys. Special shape of base frame allows stacking of baskets onto one another. Easy handling thanks to access opening inclined by 36.6° at the long side.

The Hupfer sterile supplies basket StU-1/2 features welded wire loops under the centre of the upper frame, providing particular protection from damage to packaged sterile supplies as well as maximum occupational safety for the service staff.
