The hook rail is used for the clear and ergonomic hanging of tools, utensils, and materials.

The hook strip creates order at the workplace and is therefore the perfect addition to your packing table. It keeps tools and utensils organised and within reach, creating more space on the work surface. Thanks to the robust construction from high-quality stainless steel, the hook strip is durable and load-bearing.

- creates order at the workplace
- tools and utensils are always readily available
- processing of high-quality stainless steel ensures durability and robustness
