Width:	282 mm
Depth:	141 mm
Height:	8 mm

Similar to illustration, technical modifications reserved. Without decoration.

The separating grid is used for optimised subdivision and organisation of medical instruments in sterile goods baskets.

The partition grid allows for a safe and organised arrangement of your medical instruments. Thanks to the effortless hanging and removal, you can easily adjust the partition grids. The use of high-quality, recyclable stainless steel enables long-term use and hygienic cleaning.

- Creates clarity
- Use of high-quality, recyclable stainless steel for long durability and hygienic cleaning
