Technical data

Weight:	1 kg
Width:	600 mm
Depth:	300 mm
Height:	44 mm

Similar to illustration, technical modifications reserved. Without decoration.

Sterile supplies basket with insert frame, for transport, storage and provision of sterile supplies in soft packages, without container insert.

Basket in sterilisable version suitable for washing devices, made of high-quality, electro-polished stainless steel round material and comprising closed wire loops in base and walls. Sterile supplies basket for insertion into L-shaped rails of cabinet systems, suitable for Norm 5/Medidul shelves or Hupfer Känguruh-System®. The special shape allows the baskets to be stacked onto one another when empty (e.g. during cleaning, disinfecting or sterilising) and offer optimum impact protection for stored soft packages when filled.
