The side panels of the Medidul shelves provide a smooth surface for the shelves and ensure easy cleaning and hygiene.

The side panel provides a clean finish to your Medidul shelves. It not only ensures stability but also offers an appealing appearance. Additionally, the side panel effectively protects against dust accumulation. By using high-quality, recyclable stainless steel and a robust construction, the side panel is durable and easy to clean hygienically.

- Quality workmanship of high-quality stainless steel enables perfect hygiene and easy cleaning
- Provides additional stability
- Effectively protects against dust accumulation
