Depth: 650 mm

Height: 50 mm

Similar to illustration, technical modifications reserved. Without decoration.

The flat roof made of stainless steel ensures visually clean connections all around the tall cabinets and provides additional storage space.

The flat roof provides a robust and reliable cover that ensures additional stability and effectively protects against dust accumulation.

The flat roof not only complements the aesthetic appearance of the tall cabinets but also offers a practical surface for additional uses.

- High-quality workmanship using premium stainless steel ensures perfect hygiene and easy cleaning
- Provides additional stability
- Effectively protects against dust accumulation
- Practical surface for additional usage options
