Hupfer enables the organisation of documents and devices through targeted storage areas. The product supports the transport of information through an integrated monitor mount and cable management.

Discover the innovative wall-mounted documentation terminal from Hupfer – the perfect solution for medical documentation. With compact dimensions of 450 x 432 x 1550 mm, this terminal fits ideally into any room and ensures optimal use of space. The flexible monitor mount offers a height adjustment of 130 mm as well as a tilt and swivel range of up to 35°, allowing for individual adaptation for each user. The practical writing and keyboard tray, along with the shelf for a PC or scanner, guarantee order and efficiency in documentation. Thanks to the side cable management, the workspace remains tidy and safe. The wall-mounted documentation terminal from Hupfer simplifies organisation and enhances productivity in your facility. Rely on quality and functionality!

- **Wall mounting** - Space-saving design, allows for flexible room layout.
- **Dimensions** - Optimal size of 450 x 432 x 1550 mm, ideal for various environments.
- **Monitor mount** - Height adjustable by 130 mm, offers individual adjustment for comfortable use.
