## Technical data

*Similar to illustration, technical modifications reserved. Without decoration.*

<b>Modular dimension:</b>	150 mm
<b>Max. bay load</b>	150
<b>Max. section load</b>	600
<b>Carbon footprint (TM65 Midlevel Report)</b>	966 kgCO <sub>2</sub> e
<b>TM65 Midlevel Report</b>	<a href="#">Link to the certificate</a>
<b>Weight:</b>	77 kg
<b>Width:</b>	4725 mm
<b>Depth:</b>	600 mm
<b>Height:</b>	1600 mm

Stainless steel slatted sheet steel support made of 0.03" (0.8 mm) thick sheet steel, with burr-free cutting edges, folded and rebated inwards 1.6" (40 mm) at the long side and 1.2" (30 mm) at the face side. Deep-pressed, approx. 1.3" (32 mm) wide slots at distances of 2.0" (50 mm).

The Hupfer Norm 12 stationary shelving is a lightweight structure made from a combination of aluminium and polymer. The shelving offers a clearly arranged and easily accessible storage solution for organised logistics. The modular design allows for a needs-specific layout for a wide variety of spatial and temperature conditions, thereby ensuring the most efficient use of space. Uneven floors and temperatures from -30°C are no problem, even on a permanent basis. The shelving is easy to assemble and can be extended at any time in a straight line or even around corners and is easily adapted to changes in everyday logistics. The easy-to-install, louvred shelf provides a ventilated, stable and very easy to clean shelf surface. It is even dishwasher safe. This shelf holds heavy loads despite its light weight. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees that it will buy back all of your shelving at the end of its useful life.

- solid polymer shelf with low weight ensures ventilated, safe and hygienic storage and keeps the stored goods in peak condition
- high-quality polymer workmanship allows for easy cleaning and perfect hygiene. It is even dishwasher safe.
- modular system allows for any design and extension and ensures the most

## Stationary shelving set norm 12 with louvred shelf

**HUPFER**  
we make work flow

- efficient use of space
- valuable materials ensure sustainability and value retention
- robust construction guarantees high stability and high load-bearing capacity
- modular system ensures easy handling from assembly to cleaning with little effort
