Holder for storage, on-demand cutting and provision of sterile supplies packages in the form of film reels of different widths.

Robust, self-supporting and hygienic design, completely made of high-quality stainless steel. Holder for attaching to wall hook racks or packing table, or with four standard rubber feet for placing onto a level surface, consisting of a combination of stainless steel sheet and tubes for easy adjustment and unwinding of film reels. Equipped at the front with a cutting device in the form of a manually-operated rotary cutter. Thanks to specially-shaped lateral sheets, the inserted film reels are always held in one position, enabling easy cutting across the entire reel width.
