The closed stainless steel top of the Norm 5 shelf provides a safe and hygienic surface for high loads. It is suitable for continuous use at ambient temperatures from -40°C to +60°C.

The effortlessly attachable, closed shelf made of high-quality stainless steel provides a secure and easy-to-clean surface. This shelf from the Norm 5 range supports high load capacities. Temperatures from -40°C to +60°C are not a problem even in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees today to buy back your entire shelf at the end of its service life.

- Closed design in stainless steel ensures safe, hygienic storage and easy access at all times. - High-quality processing of premium stainless steel enables perfect hygiene and easy cleaning. - Valuable materials ensure sustainability and value retention. - Sturdy construction guarantees high load capacity. - Modular system allows for easy handling from assembly to cleaning with minimal effort.
