The back panel of the Medidul shelves provides a smooth surface for the shelves and ensures easy cleaning and hygiene.

Height:

The Medidul back panels provide a clean finish to your Medidul shelves. They not only ensure stability but also offer an appealing appearance. Additionally, the back panels effectively protect against dust accumulation. By using high-quality, recyclable stainless steel and a robust construction, the back panels are durable and easy to clean hygienically.

- High-quality processing of premium stainless steel ensures perfect hygiene and easy cleaning
- Provides additional stability
- Effectively protects against dust accumulation
