<b>Weight:</b>	53 kg
<b>Width:</b>	3250 mm
<b>Depth:</b>	300 mm
<b>Height:</b>	1400 mm

Strainer bowl for transport, storage and provision of various sterile supply instruments.

Bowl in hygienic design for easy cleaning, made of high-quality electro-polished stainless steel round material. Special shape of base frame allows stacking of bowls onto one another. Easy handling thanks to two interior fold down handles at the face sides.

- wire shelf ensures well-ventilated, safe and hygienic storage and keeps the stored goods in peak condition
- high-quality stainless steel workmanship enables easy cleaning and perfect hygiene
- modular system allows for any design and extension and ensures the most efficient use of space
- valuable materials ensure sustainability and value retention
- robust construction guarantees high stability and high load-bearing capacity
- modular system ensures easy handling from assembly to cleaning with little effort
