# Welcome at Hupfer WFHSS 2021

Get in touch with the major trends and latest developments of medical technology.

We are pleased to announce that after a year 2020 marked by the Covid pandemic, we can now reconnect and meet again live and from face to face. We cordially invite you to visit our booth at the World Sterilization Congress in Geneva.

We show you how to achieve maximum hygiene security throughout sterile goods supply chain with our products.
