

## Closed serving trolley GSW - four different models for different areas of use.

The GSW closed serving trolleys for protected transportation of clean or used crockery are new to the HUPFER® range. Four models are available, with shelf sizes of 800 x 500 or 1000 x 600 mm and either two or three shelves mounted one above the other.

They are enclosed on three sides and have two stainless steel hinged doors. Utensils can be placed on the top shelf so that they are always within reach.

The range of optional accessories familiar from our existing serving trolley models, such as barrier rails, waste or cutlery containers, can also be used with these models.

Whether you are transporting clean or used crockery, the inside of the GSW closed serving trolleys is protected from dust and also hidden from view during passage through public areas.

The closed side walls hide the contents from view in the dining area and also prevent items from accidentally falling out of the trolley.

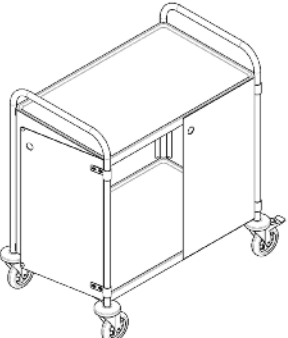

The GSW trolleys run on four extremely smooth-running steering castors, Ø 125 mm, two of these being fully lockable and located on the front below the doors. The GSW trolleys are fitted as standard with rotatable bumpers which offer optimum protection for the trolley and its contents - even upon impact with walls.

## Model overview:

	<b>Model:</b>	<b>GSW 8x5/2</b>
	Article-code:	0111934
	Number of shelves:	2
	Shelf dimensions in mm:	800 x 500
	Load per unit area / shelf:	40 kg
	Working height between shelves in mm:	591
	Height of top shelf in mm:	851
	Chassis:	4 swivel castors, 2 of them with brake, Ø 125 mm
	Total load capacity:	80 kg
	Net weight:	33 kg
External dimensions W x D x H in mm:		900 x 600 x 960

	<b>Model:</b>	<b>GSW 8x5/3</b>
	Article-code:	0111964
	Number of shelves:	3
	Shelf dimensions in mm:	800 x 500
	Load per unit area / shelf:	40 kg
	Working height between shelves in mm:	278
	Height of top shelf in mm:	851
	Chassis:	4 swivel castors, 2 of them with brake, Ø 125 mm
	Total load capacity:	120 kg
	Net weight:	37 kg
External dimensions W x D x H in mm:		900 x 600 x 960

	<b>Model:</b>	<b>GSW 10x6/2</b>
	Article-code:	0112054
	Number of shelves:	2
	Shelf dimensions in mm:	1000 x 600
	Load per unit area / shelf:	40 kg
	Working height between shelves in mm:	591
	Height of top shelf in mm:	851
	Chassis:	4 swivel castors, 2 of them with brake, Ø 125 mm
	Total load capacity:	80 kg
	Net weight:	40 kg
External dimensions W x D x H in mm:		1100 x 700 x 960

	<b>Model:</b>	<b>GSW 10x6/3</b>
	Article-code:	0112084
	Number of shelves:	3
	Shelf dimensions in mm:	1000 x 600
	Load per unit area / shelf:	40 kg
	Working height between shelves in mm:	278
	Height of top shelf in mm:	851
	Chassis:	4 swivel castors, 2 of them with brake, Ø 125 mm
	Total load capacity:	120 kg
	Net weight:	46 kg
External dimensions W x D x H in mm:		1100 x 700 x 960
