Open transport trolley for pre-proportioning of cold components on EN trays and for storage and provision in EN insert baskets.

Trolley with one compartment, in robust, self-supporting and hygienic design, made of high-quality stainless steel. Welded U-shaped shelf rails with push-through and tilt protections on both sides as per DIN EN 18867-2. In addition to the vertical square tubes, 2 rectangular-profile cross braces ensure user-friendly handling. Four polymer corner bumpers at the bottom serve as bumpers and protect the equipment on all sides as well as building-side walls from being damaged. Trolley runs on 4 swivel casters of which 2 with total locks, ø 4.9" (125 mm), with pin fastening.
