The 3-sided gallery protects the edges of the serving trolley and secures the load from falling during transport.

The 3-sided gallery encloses the shelves and provides reliable protection for your surfaces. It secures the load during transport against falling. Thanks to the robust construction and the use of high-quality, recyclable stainless steel, the 3-sided gallery of the serving trolley also ensures a long lifespan and hygienic cleaning even with intensive use.

- provides reliable protection for your storage surfaces
- secures the cargo during transport
- uses high-quality, recyclable stainless steel for long durability and hygienic cleaning
