The 4-sided gallery protects the edges of the serving trolley and secures the load from falling during transport.

The 4-sided gallery surrounds the shelves and provides reliable protection for your storage areas. It secures the load during transport against falling. Thanks to the robust construction and the use of high-quality, recyclable stainless steel, the 4-sided gallery of the serving trolley also ensures a long lifespan and hygienic cleaning even with intensive use.

- provides reliable protection for your storage surfaces
- secures the cargo during transport
- made from high-quality, recyclable stainless steel for long durability and hygienic cleaning
