Ширина:	1000 мм
Глубина:	83 мм
Высота:	23 мм

Stainless steel floor rail for Easy Rider sliding shelving system, height 23 mm

High-quality stainless steel rail in hygienic design according to DIN 18868-2, serving as the basis for a sliding shelf to optimise space utilisation in various storage areas from linen storage to operating room and sterile goods storage. Floor rail in deformation-stable design with special profiling for high load capacities, featuring a central guiding groove for the wheels of the running trolleys. Rails available in standard segments of 1000, 1500, and 2500 mm in length, as well as in any required intermediate lengths for floor installation, with segments combinable to the desired total length using stainless steel connecting elements.
