The closed stainless steel shelf of the Norm 35 rack provides a secure and hygienic storage surface for particularly high load capacities. It is suitable for continuous use at ambient temperatures from -40°C to +60°C.

The effortlessly hook-on, closed support made of high-quality stainless steel provides a secure and easy-to-clean storage surface. This support, used with the Norm 35 freestanding shelf, can bear particularly high loads. Temperatures from -40°C to +60°C also pose no problem even in continuous use.

- Closed design ensures safe, hygienic storage and clear access at all times
- High-quality workmanship with premium stainless steel enables perfect hygiene and easy cleaning
- Valuable materials ensure sustainability and long-lasting value
- Robust construction guarantees high load capacity
- Modular system allows for easy handling from assembly to cleaning with minimal effort
