Clearing trolley with deep-drawn shelves.

Trolley in robust, self-supporting and hygienic design, made of high-quality stainless steel. Round tube frame with welded, deep-drawn shelves with profile edge, lined with sound insulation on the underside, hygienically folded and rebated inwards, designed for easy cleaning. Upper shelf with welded, 3-sided stainless steel apron. Push bars integrated on both sides into tube frame ensure good manoeuvrability. 4 polyethylene disc bumpers serve as bumpers and protect trolley on all sides as well as building-side walls from being damaged. Trolley runs on 4 swivel casters of which 2 with total locks, \varnothing 4.9" (125 mm), with pin fastening.

The Hupfer clearing trolley ARW 10 × 6 / 2 is a welded model delivered ready for use, and has outstanding handling properties due to its very low empty weight in comparison to other products, as well as the greatest usable height between the shelves, while at the same time providing an extensive range of additional options to choose from.
