

Standard 5 Edition for GN Lid 1100x600 mm

Технические характеристики изделия 0130434 | A-DR/N5 1100/600 GN

HUPFER
we make work flow

Технические характеристики

Max. bay load	150
Масса:	8 кг
Ширина:	1100 мм
Глубина:	548 мм
Высота:	221 мм

Hupfer enables the effective organisation and storage of GN lids. The design promotes safe handling and easy transportation within logistics processes.

Discover the Norm 5 support for GN lids 1100x600 mm from Hupfer – the perfect solution for efficient logistics in gastronomy and the medical sector. This high-quality support made of electropolished stainless steel provides a robust and hygienic surface. With its stable construction of angle profiles and cross-running wires, the Norm 5 support ensures optimal support for GN lids. The thoughtful distance of 40 mm between the wires allows for safe and easy handling. Benefit from durability and elegant design. The Norm 5 support optimises your storage and transport processes, ensuring order and efficiency. Rely on quality and increase productivity in your kitchen or medical facility!

- **Material:** Electropolished stainless steel
Hygienic and durable, ideal for use in the catering industry.
- **Dimensions:** 1100 x 600 mm
Optimal size for GN lids, ensuring efficient use of available space.
- **Stability:** Longitudinal angle profiles and reinforced wires
Robust construction ensures high load capacity and safety.
- **Design:** Welded wires with 40 mm spacing
