The floor grate for the paper stand provides additional stability to the paper stand and offers space to conveniently store paper rolls.

The floor grid for the paper stand ensures stable and secure storage. It provides additional space for paper rolls and keeps everything neatly in place. Perfect for practical and easy handling. Thanks to the use of high-quality, recyclable stainless steel and the robust construction, the floor grid is also durable with frequent use and can be easily cleaned hygienically.

- provides additional stability for the paper stand
- offers extra storage space for paper rolls
- made from high-quality, recyclable stainless steel for long-lasting durability and hygienic cleaning
