The back panel of the Medidul shelves provides a smooth surface for the shelves and ensures easy cleaning and hygiene.

The Medidul back panels provide a neat finish to your Medidul shelves. They not only ensure stability but also offer an attractive appearance. Additionally, the back panels effectively protect against dust accumulation.

Made from high-quality, recyclable stainless steel and featuring a robust construction, the back panels are durable and easy to clean hygienically.

- High-quality workmanship using premium stainless steel ensures perfect hygiene and easy cleaning
- Provides additional stability
- Effectively protects against dust accumulation
