точность технического описания не  
гарантируется.*

Closed layer made of polystyrene segments on aluminium support beams.

The effortlessly attachable, closed plastic mat provides a lightweight, secure, and very easy-to-clean surface, even dishwasher safe. Despite its low weight, this mat of the Norm 12 shelf supports high loads. Temperatures of -30°C are not a problem even in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees to buy back your entire shelf at the end of its service life today.

- Closed design in plastic with low weight ensures safe, hygienic storage and clear access at all times
- Quality workmanship of high-quality plastic enables perfect hygiene and easy cleaning, even in the dishwasher
- Valuable materials ensure sustainability and value retention
- Stable construction guarantees high load capacity
- Modular system ensures easy handling from assembly to cleaning with minimal effort
