Crockery basket for storage and transport of small or difficult-to-stack crockery items in basket dispenser or basket transport trolley.

Basket in hygienic design, made of high-quality, grey plastic-coated stainless steel round material.  $\varnothing$  0.16" (4.0 mm) basket frame and basket base with 1.0 × 1.8" (25 × 43 mm) mesh size and  $\varnothing$  0.1" (2.5 mm) basket walls. 5.2" (93 mm) high,  $\varnothing$  0.16" (4.0 mm) centring corners integrated into the frame, for impeccable and precise stacking.

The Hupfer plastic-coated stackable crockery basket 650 × 530 × 75 mm is made of non-rusting stainless steel, and features a particularly soft special polyamide coating, allowing comparatively very low-noise crockery transport and its gastronorm dimensions make it suitable as a transport and storage unit for a wide range of purposes in the kitchen area.
